ACADEMY CONVERSION AND SIRIUS ACADEMY MULTI-ACADEMY TRUST

Dear Parent/Carer or Member of the Local Community

The Governing Body of Rise Academy strives to provide excellent education for our students. Sometimes this may involve working collaboratively with other secondary schools. As the role of the Local Authority diminishes it has become even more important to establish strong links with our secondary partners.

Rise Academy is already a member of the Blueprint Alliance Teaching School and currently provides training for them as well as having the opportunity to access first class teacher training.

The Governing Body believes the best way to ensure the continued success of Rise Academy in the future is to formalise the partnership between Rise Academy and Sirius Academy Multi-Academy Trust (SAMAT). This will allow greater opportunities to share expertise and resources across all the schools in the Trust.

The Governing Body has therefore agreed to consult on joining the Trust with a view to converting to Academy status on 1st May 2017.

We want to hear your views and establish if there are any significant objections to take account before making its final decision. The consultation will end on Friday 7th April 2017.

An information sheet including 'frequently asked questions' is included in this letter. The Chair of Governors will be available in school to answer any questions between 3 and 4pm on March 7th 2017.

If you wish to provide feedback please complete the feedback form attached and send into school by post or by hand.

Yours sincerely

Headteacher
